Smt. Narayani Devi Verma Womens Teacher's Training College

Dr. Anima Purohit

The college is dream of Mrs. Sushila Devi Mathur. Her wish was that every girl who take her school education from mahila ashram should also have a noble professional degree, so that she can be self- dependent. Her dream of B.Ed. College Bhilwara come into existence in 1984.

The college is managed by the Mahila Ashram institute a well known institute for girls education in Rajasthan. This is well known teacher education institute in Rajasthan.

Forward

It is heartening that N.D.V.W.T.T.College has infused a new spirit into its process of evaluation to place at Global benchmark by introducing the structured feedback mechanism system. Bravery is the essence of knowledge. Feedback is the two directional way of communicate between the stackholder. The most effective feedback, either positive or negative both are equally important for continuous improvement as it helps in understanding the strengths, weakness, opportunities and faced by the organisation. It is advantageous to the organisation as well as the stackholder as improvisation made based on the feedback received benefit's all the stackholders.

Feedback from students employees and illuminai inculcates a sense of ownership about the organisation and make them feel valued and responsible. Regular feedback is important across the entire Organisation in order to remain aligned to the goals and is a part of continuous learning process for regular improvisation to serve better. The feedback from all stakeholder in term of its relevance and apportunitieness in catering to the need of society, economy and environment help in improving the input. The feedback system will have an active process of note only collecting feedback from all stackholder but also analysing it and identifying and drawing partinent pointers to enhance the learning effectiveness. Hope new structured feedback mechanism system of the college will be meet at requirements for being higher educational institutions.

Psychology Resource Centre

As the knowledge of Psychology is essential for prospective teachers, the college has psychological resource centre. The main objective of this resource centre for B.Ed. is to acquaint the students with various tests, to develop necessary skills in them for administration & interpretation of the test, So that they can know about learner & they can help in development of balanced personality of the learner.

The laboratory is in good condition & all important tests & apparatuses are available in the laboratory. Students have facilities to use the tests for their work.

Science Resource Centre

The college has adequately equipped Science laboratory, where the Science students not only go for practical work but also get material issued for demonstration for practical work in class rooms during internship.
