**Training College**

**Dr. Anima Purohit**

The college is dream of Mrs. Sushila Devi Mathur. Her wish was that every girl who take her school education from mahila ashram should also have a noble professional degree, so that she can be self- dependent. Her dream of B.Ed. College Bhilwara come into existence in 1984.

The college is managed by the Mahila Ashram institute a well known institute for girls education in Rajasthan. This is well known teacher education institute in Rajasthan.

In Narayani Devi Varma Teachers Training College, street play ,rally etc organized for local communication for public awareness, along with this, for the all round development of children, various types of activities events, are conducted and organized .The purpose of rally and street play is to create awareness in the society, that evil like drug habit, beating women etc., as well as the purpose of conducting cultural activities Dance Competition, Gift Packing Competition, Science exhibition, Open air Session, yoga, Mehndi Competition, Fresher and Farewell Party etc.Which are done is that there should be all round development of the girl students in this college and Participate in these programs more and more students .

But due to the epidemic we were battling in the corona virus session 2020 21, we could not get these types of competitions done properly in the college. In this Session we organized few activities in online mode.

# Games Competition

## Science Competition

## Yoga Competition
